

I AM A STUDENT FROM A NON-MEMBER STATE OF THE EUROPEAN UNION

The higher education studies offered at ARTS² are accessible **after passing an entrance examination in the chosen option**, which will take place from **30 August to 15 September 2017** (TBC). The detailed calendar is posted at school and published on the school's website: www.artsaucarre.be. However, some admissions are possible until 31 October 2017 (continuation courses, reorientation, or else).

TO ACCESS THE FIRST YEAR (Bloc 1), I MUST BE A HOLDER OF:

- A certified copy of the ministerial decision granting the equivalence for Upper Secondary Education, or evidence that an application file has been submitted in order to get that equivalence;
- A citizenship certificate ;
- A certified copy of the document committing a reference person to assume responsibility and vouch for me during my stay in Belgium (document called « annexe 32 »)
- Evidence that a residence permit request has been submitted to the Embassy or Belgian Consulate in the country of origin ;
- For UN refugees, a refugee card or applicant for refugee card as well as a family composition to be asked to the municipal administration.

The request should be submitted as early as possible in order to get the document to append to my residence permit request in Belgium. The ultimate deadline for registration for ARTS² is set to 31 October 2017.

As soon as my complete registration request is received, I will receive an invitation from ARTS² to be presented to the Embassy or Belgian Consulate in the country of origin. The latter will issue a provisional residence permit for Belgium in order to take the entrance examination. Should the student pass the exams and confirm final registration, a new certificate will be issued in order for the student to get the Residence Permit for Study Purposes. A tourist visa is not a valid document for a definitive registration.

Should these documents be written in any other language than French, the Belgian authorities demand that they are accompanied by a French translation, made by a sworn translator in Belgium or by a Belgian Embassy or Consulate.

By 15 October, I will provide the school's secretariat with:

- A photocopy of my residence permit for Belgium or a copy of my certificate of registration in the aliens' register (to be delivered by the local administration of your place of residence, where it is mandatory to register within your first 8 days on the Belgian territory);
- An evidence of membership in a private health insurance (*mutuelle*) ;
- A proof of payment of the tuition fees. The amounts set out in the Articles 1, 2, § 1 of the *Arrêté de la Communauté Française de Belgique* (AGCF) of 27 June 1994 are to be paid to the school when the student is definitively registering.

Students from the P.R. China will have to obtain a certificate of academic screening ([la certification APS](#)) issued by the academic Evaluation Centre (APS) before they enrolment at any higher education institution in Europe. More information on APS can be found at their website: www.aps.org.cn

TO DIRECTLY ACCESS THE BACHELOR'S DEGREE SECOND (PE 2) OR THIRD (PE 3) YEAR OR THE MASTER'S DEGREE, I must be a holder or beneficiary of a:

- Diploma recognizing a 1st degree cycle in a Higher Education institution, as long as the studies are related to the Master's Degree applied for at ARTS².
- In the latter two cases, an evaluation must be taken. The program, dates and times of the examination are identical to the entrance examination in the chosen subject.

In case I enter a request for exemption or continuation courses, I should provide the school with :

- An application letter ;
- Copies certified by a Belgian authority (Belgian Embassy, Consulate or municipal administration) for the following documents:
 1. Higher artistic education diploma(s);
 2. Honors or grades obtained for the exams taken during each year of study ;
